To: Heads of National Plants Protection  
Organizations (NPPOs) of Poland

According to the resolution of the Government of the Republic of Armenia import of all kinds of plants (outdoor, indoor plants in pots, root balls, naked roots and so on) and plant products liable to phytosanitary control into Armenia is allowed without preliminary import permission from the Armenian side.

The permission is allowed only in the case of availability of phytosanitary certificate given by the NPPOs of your country.

Best regards

Chief of Phytosanitary

Arthur Nikoyan
